June 25, 2020

West Chester, OH – Last week, the Dayton Business Journal named Kingsgate Logistics as one of the top fifty fastest growing companies in the Dayton region. Over the past four years, Kingsgate has been fortunate to experience growth while overcoming unforeseen challenges that come with being a part of the logistics industry.

“Like many logistics businesses, we have felt the pains of the industry-wide struggles over the past year,” said Jeff Beckham, Owning Partner. “Despite these uncertainties, we have not stopped pursuing advancing the company and continuing in our quest towards greatness. We are proud to receive this recognition and look forward to maintaining our path of continued growth and success in the future.”

Kingsgate would like to thank our employees for their dedication to our mission and our customers and carriers for their continual support throughout our growth.
