

KINGSGATE LOGISTICS NAMED IN DAYTON BUSINESS JOURNAL'S 2021 FAST 50

July 12, 2021

West Chester, OH – Last week, the Dayton Business Journal named Kingsgate Logistics in the 2021 Class of the DBJ Fast 50, which recognizes the 50 fastest-growing companies in the Dayton region. Over the past five years, Kingsgate has been fortunate to experience growth while overcoming unforeseen challenges that come with being a part of the logistics industry; even more so throughout a global pandemic.

“Receiving this award after a year of uncertainties is especially meaningful to Kingsgate than in years past,” said Jeff Beckham, Owning Partner. “Like many businesses across all industries, we have felt the pains and struggles that have occurred over the past year due to the COVID-19 pandemic. Despite these unforeseen challenges, we have not stopped pursuing advancing the company and continuing in our quest towards greatness. We are proud to receive this recognition and look forward to maintaining our path of continued growth and success in the future.”

Kingsgate would like to thank their employees for their dedication to our mission and our customers and carriers for their continual support throughout our growth.
