

KINGSGATE LOGISTICS NAMED WINNER OF FOOD LOGISTICS™ 2022 TOP 3PL & COLD STORAGE PROVIDERS AWARD

August 24, 2022

This award recognizes leading third-party logistics and cold storage providers in the cold food and beverage industry.

West Chester, OH – *Food Logistics*, the only publication exclusively dedicated to covering the movement of product through the global cold food supply chain, named Kingsgate Logistics as one of the winners of the 2022 Top 3PL & Cold Storage Providers award, which recognizes leading third-party logistics and cold storage providers in the cold food and beverage industry.

“These past 18 months have been so challenging for U.S. supply chains. It’s the continuous bottlenecks that require fleets to re-tool and pivot accordingly. But, it’s the drivers, the fleet, the warehouses and software/technologies that really keep today’s supply chains in line,” says Marina Mayer, Editor-in-Chief of *Food Logistics* and *Supply & Demand Chain Executive*. “These 3PLs and cold storage providers have collaborated on all facets of their operations to achieve full visibility, complete forecasting, end-to-end leverage and the ultimate in sustainability. Now is the time to honor and celebrate those companies making magic happen behind the frontlines.”

Recipients of this year’s award will be profiled in *Food Logistics*’ July/Aug 2022 print issue as well as online at www.FoodLogistics.com. Go to <https://www.foodlogistics.com/awards> to learn more about other *Food Logistics*’ awards.
