

FOR THE SECOND YEAR IN A ROW KINGSGATE LOGISTICS WINS DAYTON BUSINESS JOURNAL™S 2018 BEST PLACES TO WORK AWARD!

March 23, 2018

Last night, March 23rd, the Dayton Business Journal honored Kingsgate at the 2018 Best Places to Work awards. The fun culture driven event was held at the Mandalay Banquet Center and celebrated the 48 companies who qualified as honorees. Kingsgate won in the small business category (25-49 employees) for the second year in a row, with our Vice President of Logistics, Tom Curee, accepting our award.

In an email to the entire Kingsgate staff Jeff Beckham, Owing Partner of Kingsgate Logistics, said, "Being a "Best Place to Work"™ means to me that we have the best TEAM that works together to create the best culture in which we work each day, and that is shared with each one of you." He continued, "So I just wanted to thank each of you who care enough to work together, to put in that extra effort and look out for one another; that's what makes Kingsgate a great place to work each day."

Kingsgate was beyond honored and proud to accept this award and we want to thank our employees who are the sole reason we received this honor, as well as thank the Dayton Business Journal for last night's celebration. We also, want to extend congratulations to all of the businesses honored last night!
